

# BCX-V80

8-inch, Android 12 Rugged Tablet

Introducing the latest rugged touchscreen tablet, designed for the toughest environments. Equipped with Google Play Store, it lets you download all the apps you need to stay connected and productive. Its removable battery ensures long-lasting power, making it the perfect companion for frontline workers who need reliable performance on the go, whether they're communicating or tackling demanding tasks.

**Powerful Performance** - The BCX-V80 features an Octa-core MT6765 2.3GHz CPU, ensuring smooth, high-speed performance for even the most demanding tasks. Running on Android 12, this tablet provides an intuitive, responsive experience, while the 8-inch display delivers crisp, clear visuals —perfect for working efficiently on the go.

### **Reliable Connectivity Everywhere** -

Stay connected with dual WiFi, 4G, Bluetooth, and dual SIM capabilities. The BCX-V80 ensures reliable communication and fast data access, wherever your work takes you.

### **Long-Lasting, Replaceable Battery** -

Equipped with an 8000mAh replaceable battery, the BCX-V80 keeps you powered throughout the day. Combined with features like GPS, NFC, and a 2D reader, it's the ultimate tool for field workers.

**Built for Extreme Conditions** - With an IP67 rating and MIL-STD-810G certification, the BCX-V80 is designed to withstand dust, water, and extreme temperatures. Whether you're in the field or a rugged environment, this tablet is up for the challenge.
